

Castillo's Paint and body shop

November 5, 2005

Written by Britnee McDonald

The photo above is Castillo's Auto body Shop.

The name of this building is Castillo Paint and Auto body Shop. This attractive structure was built in 1930. The address of this building is 516 Tamiami Trail (US Highway 41) Ruskin, Florida 33570.

This structure has lots of plants and it is half blue and half white. It has eight windows, it has one red door with large red letters and four garages and bays. It is currently an automobile repair business. The building is rectangular shape. It is painted very

nicely and is well cared for.

It looks attractive and it has a road around it. Castillo's is conveniently located in beautiful downtown Ruskin. The neighborhood around it very quiet.

The auto body shop is surrounded by other businesses that help keep the local economy going. It is in the business of fixing cars and painting them. It is very obvious that the person who owns it cares for it because it is very clean.

If we don't save these houses there would be no more history of Ruskin, Florida. Other people need to know about Ruskin's history.

This structure has decorative iron railings, spiral columns and porches detailed as loggia.
